

Biomea Fusion to Participate at Upcoming Investor Conferences

February 19, 2026

SAN CARLOS, Calif., Feb. 19, 2026 (GLOBE NEWSWIRE) -- Biomea Fusion, Inc. ("Biomea" or "Company" or "Company management") (Nasdaq: BMEA), a clinical-stage diabetes and obesity company, today announced that it will participate in the following upcoming investor conferences:

- **Oppenheimer 36th Annual Healthcare Life Sciences Conference:** Biomea will present virtually on February 26, 2026, at 10:00 AM (EDT). Company management will also meet with investors in one-on-one meetings during the conference.
- **The Citizens Life Sciences Conference:** Biomea will present at 2:50 PM (EDT) on March 10, 2026, in Miami, FL. Company management will also meet with investors in one-on-one meetings during the conference.
- **BMO Metabolic Health Summit:** Biomea will participate in a panel discussion on emerging competitors in the obesity and metabolic space on March 24, 2026, at 11:00 AM (EDT). Company management will also meet with investors in one-on-one meetings during the conference.

An audio webcast of the presentations will be available [here](#) or by visiting the News & Events page under the [Investors & Media](#) section of Biomea's website. A replay of the webcasts will be available following each live event.

About Biomea Fusion

Biomea Fusion is a clinical-stage biopharmaceutical company advancing oral small molecule therapies, icovamenib and BMF-650, for diabetes and obesity. These programs target metabolic disorders, a global health challenge affecting nearly half of Americans and one-fifth of the world's population. Biomea's mission is to deliver transformative treatments that restore health for patients living with diabetes, obesity, and related conditions. We aim to cure.
